How to Use Liver Recharge, Vitality, Gyno Assist + and Follicle Power +

(Since no sweetener has been added, the taste of my tincture could be startling as a result of all the herbs; however, you will get used to it or you can dilute it in water.)

Take 5 drops directly in the mouth or in 1 oz. of liquid 2-3 times daily. You can eat a piece of raisin if you take it directly to remove the taste of herbs.
